MEMORANDUM FOR: Director of Data Processing

FROM:

Director of Training and Education

STAT

SUBJECT:

Letter of Appreciation

STAT

Earlier this year, the Office of Training and Education was required by the Office of General Counsel to conduct a complicated search of its training files from 1972 to date. [ ] responded on very short notice with a program capable of conducting the search of the old Agency Training System files. The results satisfied the requirement and saved the Agency time and money. I wish to express my appreciation to the Office of Data Processing and to [ ] for timely, helpful service.
